

## **Bellamet UK Mission statement**

Our Mission is to proudly supply you the product you need, on-time & in-full, whilst we maintain a healthy environment for our highly regarded team.

We strive to exceed our customer's expectations by providing reliable and cost-effective solutions.

### **Commitment to excellence**

To provide superior sheet metal products that consistently meet or exceed our customers' needs and expectations. We strive to consistently deliver quality products, exemplary service and exceptional value.

By remaining relentlessly committed to new technical solutions, delivering high quality products and parts and complete customer service, we will be recognized as the partner of choice in the industries we serve.

### **Our customers are our partners**

Our team is proudly dedicated to being service-oriented and focused on our customers' needs — we work rigorously to ensure our partnerships are successful and always growing.

### **We are a team**

We are committed to the future of this company and its strategic growth through the employees that help make us successful each and every day.

We do what we say we will do.

We are passionate about integrity and honesty. Our management team are committed to your needs and we value our commitments to you.

### **Health, Safety and Environmental**

Implement, establish and continuously improving Health & Safety and Environmental Programs that exceed industry standards to prevent harm to people, to property, to process and to the environment through a management system that is effective, efficient and expects excellence.

Promoting a proactive approach and solutions to health & safety and environmental issues and responsibilities at all levels.
